

OCCUPATIONAL THERAPY WOODWORK INSTRUCTOR

Temporary Part-time

Particulars of Office

1. The appointment is temporary part-time and pensionable.
2. **Salary**
Remuneration is in accordance with the salary scale approved by the Department of Health current scale.
3. **Superannuation**
The terms of the Voluntary Hospitals Superannuation Scheme and the Voluntary Hospitals Spouses and Children's Scheme or the Single Public Service Pension Scheme will apply to the position. Superannuation contributions at the appropriate rate will be payable in accordance with the provisions of these schemes.
4. **Duties**
The incumbent will perform such duties as are outlined in the attached Job Description.
5. **Hours of Work**
The normal hours of work associated with the post are 18.5 hours per week usually discharged between the hours of 8.00am and 8.00pm on a Monday to Saturday basis. However you will be required to participate in the On-call Rota for night and weekend work. The appointee may be required to attend at such other times as are required for the proper discharge of duties including attendance outside normal working hours.
6. **Retirement**
No age restrictions shall apply to a candidate except where he/she is not classified as a new entrant (within the meaning of the Public Service Superannuation (Miscellaneous Provisions) Act, 2004). In this case the candidate must be under 65 years of age on the 1st day of the month in which the latest date for receiving completed application forms for the office occur. Continued employment is conditional upon capacity and conduct of the employee.
7. **Annual leave**
Annual leave and public holidays are granted in accordance with the provision of the Organisation of Working Time Act. 1997. Your annual leave entitlement will be advised to you by the Human Resources Department in your contract of employment. Annual Leave

may be based on a number of factors such as grade, years of service and whole time equivalency.

8. Sick Leave

Payment of salary during illness will be in accordance with arrangements as approved from time to time by the Department of Health.

9. Termination of office

The employment may be terminated at any time by one months notice on either side except where circumstances are dictated by the Minimum Notice and Terms of Employment Act 1973/77. The Management's right under this paragraph shall not be exercised save in circumstances where the Management is of the opinion that the holder of the office has failed to perform satisfactorily the duties of the post or has misconducted himself/herself in relation to the post or is otherwise unfit to hold the appointment.

10. Garda Vetting Checks

Arrangements have been introduced, on a national level, for the provision of Garda Vetting Checks in respect of candidates for employment in areas of the Health Service, where it is envisaged that potential employees would have substantial access to children or vulnerable adults in the course of their duties. Garda vetting is done for the protection of these groups and the National Rehabilitation Hospital reserves the right to re-verify employees at any future point, as deemed appropriate by Hospital Management.

11. Confidentiality

In the course of your employment you may have access to or hear information concerning the medical or personal affairs of patients and/or staff, or other health services business. Such records and information are strictly confidential and unless acting on the instructions of an authorised officer, on no account must information concerning staff, patients or other health service business be divulged or discussed except in the performance of normal duty. In addition records must never be left in such a manner that unauthorised person can obtain access to them and must be kept in safe custody when no longer required.

12. Hygiene

During the course of employment staff are required to ensure that the hospital's hygiene and infection control policies are adhered to at all times. All employees have responsibility to prevent transmission of infection by adhering to and implementing optimal hand hygiene and adhering to the Hospital's Hygiene processes. Hygiene is a fundamental component of the National Rehabilitation Hospital's quality system to ensure the safety and well being of its patients and staff and plays a role in the prevention and control of healthcare associated infection.

13. Policies / Legislation

All Hospital policies and procedures form an integral part an employment contract and may be subject to update and revision, from time to time, in consultation with union representatives as appropriate. Employees are required to comply with all hospital policies, procedures (e.g. Dignity at Work, Trust in Care, Computer Usage Policy) and the Hospital's ethical codes of practice. Employees are required to abide by the hospital's code of behaviour and the code of practice as defined by their relevant professional body.

14. Disability Census

As part of the NRH's commitment to supporting the employment of people with disabilities and to comply with the requirements of the Disability Act 2005, all staff are required to inform the Director of Human Resources Ms. Olive Keenan, of any personal disabilities. This information is only requested in the event that appropriate arrangements must be put in place during the course of one's employment and will be stored in compliance with Data Protection Legislation.

OCCUPATIONAL THERAPY WOODWORK INSTRUCTOR

Temporary Part-time

JOB DESCRIPTION

1. Qualifications

The candidate must, on the latest date for receiving completed application forms for the office have:

- 5 years post qualification experience
- Have excellent communication, team work and people skills.
- Possess the following qualifications: FETAC Level 6 Advanced Craft Certificate

Overview of the Role

1. Assisting therapists in providing Occupational Therapy for patients by providing instruction in woodwork.
2. Identifying unmet needs within area of responsibility to the Occupational Therapist Manager.

ACCOUNTABILITY, DUTIES AND RESPONSIBILITIES

General Accountability

1. To be familiar with, and to observe, all National Rehabilitation Hospital Policies which apply to your work.
2. In cooperation with colleagues being responsible for the safety of patients and staff within area of responsibility
3. Identifying and reporting actual and potential hazards to the appropriate authority.
4. Immediately reporting any accidents or near misses using the hospital incident report form.
5. If a patient suffers an actual or potential injury in the incident either seeking immediate medical assistance or returning the patient to the ward area and informing the appropriate nursing or medical staff of the incident so that the appropriate examination can be carried out.
6. Ensuring that patient confidentiality is maintained at all times.
7. In cooperation with colleagues being responsible for the day to day security of the work area to which assigned, with particular awareness of fire regulations and security arrangements.
8. Keeping up to date with all mandatory training by attending all training sessions. No training session arranged for you can be cancelled without the prior agreement of the Occupational Therapist Manager.

Job Description reviewed by the OT Manager – Sept 2018

9. Being prepared to ask for assistance and guidance in case of doubt.
10. Assisting in audit of the Programme or Service to which you are assigned.
11. Helping to keep the work area tidy and welcoming to patients, colleagues and visitors in collaboration with staff.
12. Responsibility for careful use of equipment and ensuring that the equipment is maintained to maximum efficiency and safety.
13. Responsibility for the careful and economical use of materials and the notification of the need to re-order.

Specific Accountability

1. Reporting on patients' progress to their Occupational Therapist;
2. Immediately reporting any accident/illness experienced by a patient while under your care to his/her Occupational Therapist (or if the patient's own therapist is not available to another Occupational Therapist);
3. Developing rapport with patients to encourage and motivate them;
4. If a patient does not attend for a scheduled session investigating the reason; encouraging attendance; reporting non-attendance to the patient's Occupational Therapist;
5. Ensuring that patients are not left unattended in the woodwork shop; also that the workshop is not left open when no staff are present.

Outline of Duties and Responsibilities

1. To instruct patients in woodwork and related activities following referral from, and under the instruction of, the Occupational Therapists.
2. To teach activities, often in very simple stages, so that they can be used as a medium for the treatment of patients. Work with referred patients to:-
 - a. encourage good functional movement and co-ordination;
 - b. build up trunk balance;
 - c. improve standing balance;
 - d. improve standing tolerance;
 - e. improve work tolerance;
 - f. improve ability to follow instructions (either verbal, written, diagrammatic or demonstrated);
 - g. improve attention and concentration;
 - h. improve motor planning and visual perception skills;
 - i. build up confidence in work ability;
 - j. help in the assessment of the patient's potential to work with tools, machines etc.
3. To maintain tools and machines to a good standard and to keep them safely stored.

4. To be responsible for keeping appropriate stocks of materials and for notifying the Head Occupational Therapist of the need to re-order.
5. To observe and report to the patient's Occupational Therapist on changes in the patient's physical, cognitive, emotional and social skills.
6. To identify with the Occupational Therapy Department, its policies and aims.
7. To carry out other duties as required by the Head Occupational Therapist.
8. To be aware of the Safety at Work Act, of the Hospital's Safety Policy and to implement the provisions of both.

Patient Safety & Quality

The NRH prioritises the delivery of quality and safe patient care under HIQA and other quality standards. It is the responsibility of all staff at all levels to ensure that the highest level of quality services required for each patient is maintained. If you have a concern regarding any issue of patient safety and well-being please bring this to the immediate attention of your manager.

Quality and Patient Safety supports the Health Service to deliver high quality and safe services to patients and service users. The post-holder is responsible and accountable to deliver a quality service that ensures patient safety. The post holder will work within a risk management framework that complies with the Health Information and Quality Authority (HIQA) National Standards and other quality standards as appropriate.

The extent of speed and change in the delivery of health care is such that adaptability is essential for all staff. The post-holder will be required to maintain, develop and enhance the necessary professional knowledge to respond to a changing situation.

This Job description does not contain an exhaustive list of duties, and the post holder may be required to undertake additional responsibilities. It will be reviewed from time to time in order to adapt and develop the role, according to service needs and Hospital policies.

I agree that this position description clearly outlines the specific responsibilities and duties that are to be carried out as part of this role. I also understand that these represent the minimum requirements to perform the duties at the current level.

To be signed by the successful applicant upon appointment.
