

NATIONAL REHABILITATION HOSPITAL

Clinical Nurse Manager 2 Nursing Administration

Particulars of Office

1. The appointment is permanent, full-time and pensionable.
2. **Salary**
Remuneration is in accordance with the salary scale approved by the Department of Health
3. **Superannuation**
The terms of the Voluntary Hospitals Superannuation Scheme and the Voluntary Hospitals Spouses and Children's Scheme will apply to the position and superannuation contributions at the appropriate rate will be payable in accordance with the provisions of the scheme.
4. **Duties**
The incumbent will perform such duties as are outlined in the attached Job Description.
5. **Hours of Work**
The normal hours of work associated with the post are 39 hours full time per week discharged on a 5/7 basis and usually discharged between the hours of 08.00hrs and 20.20hrs Monday to Sunday inclusive. The appointee will be required to work Night Shifts and may be required to work overtime, remuneration for which will be in line with nationally approved rates for your grade. The Starting and finishing times will be noted to you by your Head of Department.

As this is a senior post the appointee may be required to attend at such other times as are required for the proper discharge of the duties of the office including attendance outside normal working hours.
6. **Probation**
The successful candidate will be appointed initially for a probationary period of 6 months. During the probationary period, progress or otherwise will be monitored and at the end of the period, the service will be
 - a) Certified as satisfactory and confirmed in writing;
 - b) In certain circumstances this period may be extended and in such case you will be advised in writing of this and the duration of the extension.
7. **Retirement**
No age restrictions shall apply to a candidate except where he/she is not classified as a new entrant (within the meaning of the Public Service Superannuation (Miscellaneous Provisions) Act, 2004). In this case the candidate must be under 65 years of age on the 1st day of the month in which the latest date for receiving completed application forms for the office occur. Continued employment is conditional upon capacity and conduct of the employee.

8. Annual leave

Annual leave and public holidays are granted in accordance with the provisions of the Organisation of Working Time Act, 1997. Your annual leave entitlement will be advised to you by the Director of Nursing Office and is based on the number of years service.

9. Sick Leave

Payment of salary during illness will be in accordance with arrangements as approved from time to time by the Department of Health and Children.

10. Termination of office

The employment may be terminated at any time by three months notice on either side except where circumstances are dictated by the Minimum Notice and Terms of Employment Act 1973/77. The Management's right under this paragraph shall not be exercised save in circumstances where the Management is of the opinion that the holder of the office has failed to perform satisfactorily the duties of the post or has misconducted himself/herself in relation to the post or is otherwise unfit to hold the appointment.

11. Garda Vetting Checks

Arrangements have been introduced, on a national level, for the provision of Garda Vetting Checks in respect of candidates for employment in areas of the Health Service, where it is envisaged that potential employees would have substantial access to children or vulnerable adults in the course of their duties. Garda vetting is done for the protection of these groups and the National Rehabilitation Hospital reserves the right to re-verify employees at any future point, as deemed appropriate by Hospital Management.

12. Confidentiality

In the course of your employment you may have access to or hear information concerning the medical or personal affairs of patients and/or staff, or other health services business. Such records and information are strictly confidential and unless acting on the instructions of an authorised officer, on no account must information concerning staff, patients or other health service business be divulged or discussed except in the performance of normal duty. In addition records must never be left in such a manner that unauthorised person can obtain access to them and must be kept in safe custody when no longer required.

13. Hygiene

During the course of employment staff are required to ensure that the hospital's hygiene and infection control policies are adhered to at all times. All employees have responsibility to prevent transmission of infection by adhering to and implementing optimal hand hygiene and adhering to the Hospital's Hygiene processes. Hygiene is a fundamental component of the National Rehabilitation Hospital's quality system to ensure the safety and well being of its patients and staff and plays a role in the prevention and control of healthcare associated infection.

14. Policies / Legislation

All Hospital policies and procedures form an integral part an employment contract and may be subject to update and revision, from time to time, in consultation with union representatives as appropriate. Employees are required to comply with all hospital policies, procedures (e.g. Dignity at Work, Trust in Care, Computer Usage Policy) and the Hospital's ethical codes of practice.

Employees are required to abide by the hospital's code of behaviour and the code of practice as defined by their relevant professional body.

15. Disability Census

As part of the NRH's commitment to supporting the employment of people with disabilities and to comply with the requirements of the Disability Act 2005, all staff are required to inform the Director of Human Resources Ms. Olive Keenan, of any personal disabilities. This information is only requested in the event that appropriate arrangements must be put in place during the course of one's employment and will be stored in compliance with Data Protection legislation.

NATIONAL REHABILITATION HOSPITAL Clinical Nurse Manager 2 Nursing Administration

JOB DESCRIPTION

1. Qualifications

The candidate must, on the latest date for receiving completed application forms for the office, possess:

- Must be registered on the General Division of the NMBI or eligible to be so registered.
- Minimum 5 years post registration experience.
- Relevant post registration qualification essential.
- Post Registration qualification in Rehabilitation; Spinal Injury; or Neurosurgical or Neuro-disability Nursing desirable.
- Management course essential.
- Have proven clinical and professional ability, leadership, communication and organisational skills.
- Display evidence of continuing professional development.

NATIONAL REHABILITATION HOSPITAL Clinical Nurse Manager 2 Nursing Administration

JOB DESCRIPTION

Overview of the Role

The primary function of the post is to be the central point of contact for all nursing operational areas during core working hours and out of hours periods. The post holder will collaborate with the ward managers to ensure that the clinical site is operating, safely, effectively and at a standard of excellence and will provide an expert level of operational management and leadership.

He/ She will efficiently deploy staff in collaboration with clinical nurse managers and encourage a culture of openness and participation through effective communication. The post holder will work on a day/night rotation. During Core hours he/she will have the overarching support of the Assistant Directors of Nursing or/and the Director of Nursing.

The Post holder will be responsible for:

During Core hours

- To assume operational responsibility during core hours, linking with all clinical areas regarding patient status, escalating potential risks to ADON/DON or relevant head of department
- Organise, manage and lead nursing pre-DOSH (daily operational safety huddle) at 8:45am, managing risks identified or escalating as necessary to ADON /DON.
- To facilitate patient flow through NRH by liaising with the ADON as necessary and ensure open communication practices support the patient journey in NRH.
- To promote and improve communication networks ensuring collaborative working practices between the post holder and clinical areas.
- To record, report to ADON and analyse and audit sick leave and absence of staff and assist CNM's in coordinating staff numbers and skill mix in clinical areas to meet the need of the patient group.
- Ensure that sick leave is managed for the following 24 hours if possible, staffing night/following day including management and allocation of the HCA resource.
- To participate in and co-ordinate the emergency response to fire, security alerts, cardiac arrests and any other clinical emergency.
- To co-ordinate the Emergency Plan if required following the guidance as per Major Emergency Plan, NRH.

- Ensure actions follow the code of Professional conduct and ethics for Nurses and Midwives, 2014 and works within their scope of practice
- To collaborate with the supporting Assistant Director of Nursing on a given day
- To complete incident forms, inform ADON and follow up on actions where possible, write reports for any incidents in a timely manner.

Outside Core Hours

- To assume operational responsibility out of hours, linking with all clinical areas regarding the status of all patients, potential concerns regarding patient status escalating potential risks to ADON/DON or relevant head of department
- Organise, manage and lead an out of hours safety huddle (OHS) 20:00 and 10:00 Saturday and Sunday. To call Corporate Manager Team member and Director of Nursing/ ADON if appropriate. Liaise with Consultants when required. .
- To manage patient safety in the event of unplanned absences after hours.
- To participate in and co-ordinate the emergency response to fire, security alerts and cardiac arrests and any other clinical emergency.
- To co-ordinate the Emergency Plan, if required, following the guidance as per NRH Emergency Plan. Have knowledge of the security/fire alarm systems. Know the procedure to take if corrective action is required.
- To provide clinical leadership and maintain credibility through practice and professional update. To provide professional advice, consultation and direct assistance to colleagues and peers, as necessary.
- To be the first point of contact for clinical areas relating to complaints, and any untoward incidents involving patients, visitors, staff and take appropriate action.
- To complete incident forms, inform ADON and follow up on actions where possible, write reports for any incidents in a timely manner.
- To participate in creation of guidelines/SOP's as required. To assist staff new to the office for induction and orientation to night duty
- Review staffing levels on a shift by shift basis, ensuring adequate staffing numbers and skill mix to deliver safe patient care.
- Coordinate the safe transfer of the deteriorating patient to St. Vincent's University Hospital or other Hospital, as indicated. Ensure that all relevant documentation is sent with the patient.
- Assist in practice development across the organisation.
- To supply wards areas with out of hours emergency pharmacy requests as per NRH policy.

ACCOUNTABILITY, DUTIES AND RESPONSIBILITIES

Reviewed by Assistant Director of Nursing March 2019

General Accountability

- The post holder has accountability both professionally for decisions she/he makes which impacts on patient and staff health, safety and welfare. She/he must submit her/his NMBI Registration Certificated to Nursing Administration before 1st February of each year.
- Ensure that a safe environment is maintained for staff and visitors in compliance with Health and Safety requirements.
- Keeping up to date with all relevant mandatory, statutory and legislative training for the department.
- Ensures clinical competence of staff in performing clinical activities and adhering to all NRH infection control policies.
- Assist in the introduction of new clinical practices or techniques as national standards predict.
- Promotes nurtures and maintains a high level of staff morale hence promoting team spirit and job satisfaction among all nursing and non-nursing staff within the designated Programme.
- Ensures that the safety policies are complied with within the ward.
- Checks that nursing and non-nursing staff are on duty as scheduled.
- Ensures that staff wears proper uniform and adheres to the NRH dress code policy.
- Ensures that all nursing staff practice within the code set for the profession by NMBI
- Carries out development and performance review interviews with individual staff in the ward.
- Decides how to deal with behaviour outside acceptable limits i.e. emotional upset in staff, or colleagues, undignified behaviour, absenteeism, conflict, grievance and discipline.
- Ensures that all staff follow the complaint, disciplinary and grievance procedures.
- Investigates incidents and accidents involving all staff and report these verbally and in writing to the Assistant Director/ Director of Nursing at handover.
- To work with the Department of Nursing on writing new and reviewing/updating nursing policies, procedures and standards regarding the care of the patient/resident and the family in conjunction with team members and in keeping with the philosophy and policies of the NRH
- To ensure that appropriate, accurate and concise records are maintained at all times.
- To support the use of information management systems.
- To liaise with nursing management and nursing colleagues and organise/attend/participate at meetings as required.

Staffing and Manpower Planning:

- Arranges staff meal breaks in consultation with nurse in charge of the ward.
- Supports, supervises and coaches nursing staff and other support staff in carrying out their allocated clinical duties to the required standard.
- Advises the Director of Nursing/ ADON when staff levels fall below or are in excess of that considered to be adequate to meet variations in work load.

Quality, Patient Safety & Risk Management

The NRH is committed to supporting a culture of continuous quality improvement through effective governance, clinical effectiveness and outcome measurement.

Quality and Patient Safety supports the Health Service to deliver high quality and safe services to patients and service users. This involves developing appropriate standards of practice that can be measured from the clinician and service user perspective and requires that the Manager is:

Reviewed by Assistant Director of Nursing March 2019

- Responsible to ensure compliance with Health Information and Quality Authority (HIQA) National Standards, Health Service Executive (HSE), CARF/adopted Accreditation Standards, National and Local policies, procedures, guidelines, best practice standards, relevant government legislation and regulations.
- Participate in various standards, NRH accreditation and quality control groups to support the overall achievement and maintenance of the designated NRH quality and accreditation standards.
- To promote and effect a Continuous Quality Improvement (CQI) environment for services at NRH in line with existing and future regulatory requirements.
- To work closely with the Risk Management Department, clinical programmes and services in order to organise and assure implementation of all hospital and external quality, safety and risk management policies, procedures and requirements pertinent to services at the Hospital.
- Assist in the collection of data on the performance of nursing services. Maintain relevant records and audit same as required and as requested by the Assistant Director of Nursing.

Management of Challenging Behaviour

The post holder will ensure that

- All staff are aware that immediate support and counselling are available to those who have been involved in a violent incident.
- Post holder is required to manage unpredictable behaviour

Education/Staff Development:

- Assesses and identifies training and development needs of all ward staff, set objectives for such learning; recommends these to the Director of Nursing / Assistant Director and contributes to the development of training programmes where appropriate.
- Identify teaching/learning opportunities within the ward.

Self Development:

The post holder is expected to:

- Maintain and update knowledge and keep abreast of relevant professional development and all current trends in nursing.
- Discuss present performance and future needs with the Assistant Director of Nursing.
- Demonstrate the ability to relate nursing research to nursing practice
- Applies research findings to defined patients populations e.g. patients with disabilities.
- Ability to collect and report on data

The extent of speed and change in the delivery of health care is such that adaptability is essential for all staff. The post-holder will be required to maintain, develop and enhance the necessary professional knowledge, skills and aptitudes required to respond to a changing situation.

Reviewed by Assistant Director of Nursing March 2019

This Job description does not contain an exhaustive list of duties, and the post holder may be required to undertake additional responsibilities. It will be reviewed from time to time in order to adapt and develop the role, according to service needs and Hospital policies.

I agree that this position description clearly outlines the specific responsibilities and duties that are to be carried out as part of this role. I also understand that these represent the minimum requirements to perform the duties at the current level.

To be signed by the post holder.
