Rochestown Ave, Dun Laoghaire, Co Dublin
Tel: (01) 235 5000**

The National Rehabilitation Hospital (NRH) is the national tertiary referral centre in Ireland providing Complex Specialist Rehabilitation services to adult and paediatric patients from throughout Ireland. At the NRH, services are delivered to patients who as a result of an accident, illness or injury have acquired a physical or cognitive disability, or both and require a specialist interdisciplinary programme of rehabilitation. Rehabilitation Programmes at the NRH are delivered by Consultant-led Interdisciplinary Teams in the following areas of specialty:

- **Brain Injury** (including traumatic and non-traumatic brain injury and Stroke or other neurological conditions)
- **Spinal Cord System of Care** (including traumatic and non-traumatic spinal cord injury)
- **Prosthetic, Orthotic and Limb Absence Rehabilitation (POLAR)**
- **Paediatric Family-Centred Programme**

The NRH is undergoing major redevelopment and has received planning permission and confirmation of funding for Phase 1 of the New National Rehabilitation Hospital Development Project. Services at the NRH are accredited by CARF (Commission for Accreditation of Rehabilitation Facilities), an internationally recognised, independent accreditation system.

The NRH is a fully publicly funded voluntary hospital and operates on the ethos of providing high quality care and treatment to patients irrespective of background or status, but on the basis of clinical need.
