

WHEELCHAIR TECHNICIAN/ TECHNICAL SUPPORT STAFF

(Temporary, full time)

Particulars of Office

1. The appointment is temporary, full time and pensionable.
2. **Salary**
Remuneration is in accordance with the Clinical Engineering Technician scale of the Health Sector Consolidated Salary Scales 2016.
3. **Superannuation**
The terms of the Voluntary Hospitals Superannuation Scheme and the Voluntary Hospitals Spouses and Children's Scheme or the Single Public Service Pension Scheme will apply to the position. Superannuation contributions at the appropriate rate will be payable in accordance with the provisions of these schemes.
4. **Duties**
The Wheelchair technician will perform such duties as are outlined in the attached Job Description.
5. **Hours of Work**
The normal hours of work associated with the whole-time post are 39 hours per week usually discharged between the hours of 8.00 am and 8.00pm on a Monday to Saturday basis. The appointee may be required to attend at such other times as are required for the proper discharge of duties including attendance outside normal working hours. Any work outside the normal hours must be authorised by the Physiotherapy/OT Manager or her/his deputy.
6. **Retirement**
No age restrictions shall apply to a candidate except where he/she is not classified as a new entrant (within the meaning of the Public Service Superannuation (Miscellaneous Provisions) Act, 2004). In this case the candidate must be under 65 years of age on the 1st day of the month in which the latest date for receiving completed application forms for the office occur. Continued employment is conditional upon capacity and conduct of the employee.

7. Annual leave

Annual leave and public holidays are granted in accordance with the provision of the Organization of Working Time Act, 1997. Your annual leave entitlement will be advised to you by the Human Resources Department in your contract of employment. Annual Leave may be based on a number of factors such as grade, years of service and whole-time equivalency

8. Sick Leave

Payment of salary during illness will be in accordance with arrangements as approved from time to time by the Department of Health and Children

9. Termination of office

The employment may be terminated at any time by four weeks' notice on either side except where circumstances are dictated by the Minimum Notice and Terms of Employment Act 1973/77. The Management's right under this paragraph shall not be exercised save in circumstances where the Management is of the opinion that the holder of the office has failed to perform satisfactorily the duties of the post or has misconducted himself/herself in relation to the post or is otherwise unfit to hold the appointment.

10. Garda Vetting Checks

Arrangements have been introduced, on a national level, for the provision of Garda Vetting Checks in respect of candidates for employment in areas of the Health Service, where it is envisaged that potential employees would have substantial access to children or vulnerable adults in the course of their duties. Garda vetting is done for the protection of these groups and the National Rehabilitation Hospital reserves the right to re-vet employees at any future point, as deemed appropriate by Hospital Management.

11. Confidentiality

In the course of your employment you may have access to or hear information concerning the medical or personal affairs of patients and/or staff, or other health services business. Such records and information are strictly confidential and unless acting on the instructions of an authorised officer, on no account must information concerning staff, patients or other health service business be divulged or discussed except in the performance of normal duty. In addition, records must never be left in such a manner that unauthorised person can obtain access to them and must be kept in safe custody when no longer required.

12. Hygiene

During employment staff are required to ensure that the hospital's hygiene and infection control policies are adhered to at all times. All employees have responsibility to prevent transmission of infection by adhering to and implementing optimal hand hygiene and adhering to the Hospital's Hygiene processes. Hygiene is a fundamental component of the National Rehabilitation Hospital's quality system to ensure the safety and well being of its patients and staff and plays a role in the prevention and control of healthcare associated infection.

13. Policies / Legislation

All Hospital policies and procedures form an integral part an employment contract and may be subject to update and revision, from time to time, in consultation with union representatives as appropriate. Employees are required to comply with all hospital policies, procedures (e.g. Dignity at Work, Trust in Care, Computer Usage Policy) and the Hospital's ethical codes of practice. Employees are required to abide by the hospital's code of behaviour and the code of practice as defined by their relevant professional body.

14. Disability Census

As part of the NRH's commitment to supporting the employment of people with disabilities and to comply with the requirements of the Disability Act 2005, all staff are required to inform the Director of Human Resources Ms. Olive Keenan, of any personal disabilities. This information is only requested in the event that appropriate arrangements must be put in place during the course of one's employment and will be stored in compliance with Data Protection legislation.

WHEELCHAIR TECHNICIAN / TECHNICAL SUPPORT STAFF

(Temporary, full time)

JOB DESCRIPTION

1. Qualifications

The candidate must, on the latest date for receiving completed application forms for the office, possess:

- Apprenticeship of Mechanical Engineering, or equivalent qualification to minimum NFQ Level 6

Patient Safety & Quality

The NRH prioritises the delivery of quality and safe patient care under HIQA and other quality standards. It is the responsibility of all staff at all levels to ensure that the highest level of quality services required for each patient is maintained. If you have a concern regarding any issue of patient safety and well-being please bring this to the immediate attention of your manager.

Quality and Patient Safety supports the Health Service to deliver high quality and safe services to patients and service users. The post-holder is responsible and accountable to deliver a quality service that ensures patient safety. The post holder will work within a risk management framework that complies with the Health Information and Quality Authority (HIQA) National Standards and other quality standards as appropriate.

The extent of speed and change in the delivery of health care is such that adaptability is essential for all staff. The post-holder will be required to maintain, develop and enhance the necessary professional knowledge, skills and aptitudes required to respond to a changing situation.

This job description does not contain an exhaustive list of duties, and the post holder may be required to undertake additional responsibilities. It will be reviewed from time to time in order to adapt and develop the role, according to service needs and Hospital policies.

I agree that this position description clearly outlines the specific responsibilities and duties that are to be carried out as part of this role. I also understand that these represent the minimum requirements to perform the duties at the current level.

To be signed by the post holder.
