

Internal/External Competition

Resuscitation Officer Clinical Nurse Manager II (Permanent & Full Time)

Applications are invited for the above post from suitably qualified persons.

The Resuscitation Officer will be responsible for the co-ordination and management of the Resuscitation Service in the National Rehabilitation Hospital. This will involve planning, organisation, implementation and evaluation of all Basic and Advanced life support training for appropriate personnel.

The Resuscitation Officer will be responsible for the supervision, review and audit of resuscitation procedures. The Resuscitation Officer will assist in promoting the importance of resuscitation throughout the hospital and supporting staff to be competent and up to date in their Resuscitation skills appropriate for their level.

REQUIREMENTS:

The candidate must possess the following on the latest date for receiving completed application forms for the office:

- Must be registered on the General Division of the NMBI or eligible to be so registered.
- Minimum of 5 years post registration experience
- 3 years' experience must be in the area of resuscitation, ED, Cardiac unit or related area
- Instructor qualification in BLS essential
- Instructor qualification in ACLS, PALS or ATLS desirable
- Experience in teaching and training and/or relevant qualifications

The appointment is full-time, permanent and in a pensionable capacity. Remuneration is in accordance with the salary scale approved by the Department of Health.

Applicants for the above post should submit a letter of application and curriculum vitae not later than **12:00 noon 12th March 2021** to Claire Camon, Human Resource Department or email claire.camon@nrh.ie. A job description for the above post is available on request from Claire Camon or at www.nrh.ie/careers. For informal enquiries, please contact Ms. Frances Campbell by email at frances.campbell@nrh.ie
