## **TRAINING FACILITATOR (RTU) (TEMPORARY Full and Part-Time)**

We are seeking a motivated person to join our multi-disciplinary team, which provides both individual and group-based rehabilitative training to adults with acquired brain injury (ABI). The “Next Stage” - Rehabilitative Training programme is a national programme that is designed to assist our trainees to maximise their potential to enable greater levels of independence and re-integration into the community. We also help trainees move on to further training, employment, education and healthy living options.

The Training Facilitator will be required to deliver training, support and guidance to adults with acquired brain injury consistent with and in support of the aims of the Rehabilitative Training Unit and of the National Rehabilitation Hospital. The appointee will have responsibility for delivering group and individual training in topics appropriate to the programme aims and the person’s qualifications and training. They will also have ‘caseworker’ responsibilities for trainees’ assigned to them.

**The ideal candidate must have on the latest date for receiving completed application forms for the office, have:**

- A third level qualification in either Occupational Therapy, Psychology, Social or Behavioural Sciences or other Health and Social Care Profession.
- Substantial and/or relevant work experience may be considered in lieu of higher or clinical qualifications. Other relevant backgrounds include community and disability services, teaching and training.
- Experience working with adults with acquired brain injury in rehabilitation or training setting.
- Excellent interpersonal, organizational, communication and team working skills.
- Have a high capacity for responsibility, creativity and initiative.
