

Senior Pharmacist (Permanent, Temporary, Full/Part time, Panel)

Applications are invited for the above post from suitably qualified persons.

Here, at the NRH, we have an exciting opportunity for you to join our expanding pharmacy team. We are seeking a dynamic, enthusiastic and self-motivated Pharmacist to work with us at the National Rehabilitation Hospital (NRH). You will work in a purpose-built state of the art building with specialities including stroke, spinal and acquired brain injuries in adults and paediatrics. Are you passionate about the use of digital solutions to support and enhance safe patient care? You will have the opportunity to be involved in the pioneering Clinical Rehabilitation Management System (Fusion) project here in the NRH. This exciting project includes the development of an electronic patient record and an electronic medication prescribing and administration system.

We attend Consultant ward rounds as part of the multidisciplinary team on all Units and as patients stay for 12 weeks (on average) we have the rewarding professional experience of positively influencing our patients' journeys.

With onsite free parking, situated near the sea and flexible working arrangements the NRH offers many positive features.

- At the NRH we are committed to interdisciplinary working, and you will have the opportunity to work closely with professional colleagues providing a full range of rehabilitation services to our patients.
- The NRH is externally accredited by CARF (Commission for Accreditation for Rehabilitation Facilities), an internationally recognised, independent accreditation system.

The candidate must, on the latest date for receiving completed application forms for the office, possess:

- BSc(Pharm)M.P.S.I.
- Registration with the PSI (Pharmaceutical Society of Ireland).
- 3 years relevant experience
- Possess the requisite knowledge and ability (including a high standard of suitability and management ability) for the proper discharge of the duties of the office.
