

Clinical Nurse Manager 2 – Project Manager

Rehabilitation Healthcare Post Graduate Courses (Temporary & Full Time)

Applications are invited for the above post from suitably qualified persons

As the National Rehabilitation University Hospital, we have a responsibility to ensure that staff in the NRH, and other staff across the country, are provided with the required education to support them in their roles as Rehabilitation Healthcare experts, thus ensuring that optimal patient outcomes are achieved. The NRH is in the unique position, building on existing educational programmes, to develop national programmes with appropriate and relevant higher education institutions.

With the funding support of the Nursing and Midwifery Planning and Development Unit (NMPDU) of the HSE the NRH is delighted to advertise this position.

The purpose of post is for the appointee to project manage the development of a suite of programmes, including full curricula, for post graduate certificate, diploma and master's programmes, in collaboration with a higher education institution, in Rehabilitation Healthcare led by the NRH. The programmes will be developed and delivered between the NRH and the chosen HEI with a blended learning approach.

REQUIREMENTS:

The candidate must possess the following on the latest date for receiving completed application forms for the office:

- Registration on the General Division of the Nursing and Midwifery Board, Ireland (NMBI).
- Minimum of five years' post registration experience with at least three years must be in rehabilitation / education or teaching area.
- Must have the requisite knowledge and ability, including a high standard of IT literacy, managerial, education, teaching, and project management to successfully deliver on the objectives of the project.
- Leadership/Management and Project Management course desirable.
- Demonstrate evidence of continuous professional development.
- Excellent communication skills with ability to engage with a variety of stakeholders.
- Excellent organisational and time management skills.
- Demonstrate a strong clinical background, with comprehensive delivery of teaching/education in a clinical or higher education environment.
- Demonstrate a depth and breadth in education and teaching experience relevant to the role and which will enable them to develop a new curriculum.

The appointment is full-time, temporary (12 months with a possibility of extension pending funding approval), and in a pensionable capacity. Remuneration is in accordance with the salary scale approved by the Department of Health.

For informal enquiries, please contact the Academic Lead, Ruth Maher at ruth.maher@nrh.ie or the Director of Nursing, Frances Campbell at frances.campbell@nrh.ie
