

## Senior Dietitian (Permanent, Part-time)

**Applications are invited from suitably qualified persons for the above vacancy.**

The role includes promotion and support of health by means of sound nutritional advice and/or nutritional intervention within the National Rehabilitation Hospital. The successful candidate will be responsible for assessing the nutritional status of each patient referred, estimating individual nutritional requirements, and devising, monitoring and reviewing individualized care plans as appropriate. They will educate relatives or carers on the relevant aspects of the patient's nutritional support or therapeutic diet as well as assisting the Dietitian Manager in developing educational materials and resources for individual patients and patient groups. In addition, they will assist the Dietitian Manager in devising and implementing nutritional policies for the hospital.

The candidate must, on the latest date for receiving completed application forms for the office, possess:

**Essential:**

- B.Sc. Degree in Human Nutrition & Dietetics  
*Or*  
Diploma in Nutrition & Dietetics from College of Technology, Kevin Street  
*Or*  
Qualification in Dietetics at least equivalent to the above

(If qualified outside of Ireland, you must have your qualification validated by the Department of Health and Children)

- A minimum of 3 years post-graduate clinical experience
- Be registered with CORU
- Previous experience in a neuro-rehabilitation setting is an advantage.

*Informal enquiries to Ms Kim Sheil, Dietetics Manager email [kim.sheil@nrh.ie](mailto:kim.sheil@nrh.ie)*
