

Frequently asked questions about your appointment

What appointment am I attending?	Brain Injury Clinic Interdisciplinary Team (IDT) – New Appointment.
What is a Brain Injury Clinic IDT New Appointment?	Your Interdisciplinary Team will see you for an appointment. On your team may be doctor, nurse, speech and language therapist, occupational therapist, physiotherapist, social worker and psychologist. Together with your team, you complete assessments and make a plan of care.
Do I need to bring anyone with me?	If you can, bring one family member or friend with you. If you are coming from a hospital or a residential facility, you can bring a staff member with you.
Do I need to bring anything with me?	Yes. Bring your appointment letter, list of current medications and any small equipment you have, such as splints, walking aid, or communication aid.
How long will my appointment take?	Approximately 45-60 minutes.
Where is my appointment?	<p>Outpatient Department, Unit 6.</p> <p>Follow the yellow line on the map on the back of this page.</p> <p>The Eircode for the NRH is A96 RPN4. Unit 6 is located at the back of the hospital campus, not in the main hospital building.</p> <p>Free parking is available in Car Park P3, beside Unit 6.</p>
Is there an alternative option if I cannot attend my appointment in person?	Yes. We offer video or telephone appointments also.
If I can't attend my appointment, what do I do?	Call 01 235 5550 or email opd.admin@nrh.ie as soon as possible.
What happens if I don't call and don't turn up for my appointment?	You may be discharged from our services.

IMPORTANT: Before being left at the hospital by your taxi, ambulance or other driver, please check that you are at the correct location.
