

## General Information

### Visitor Information

Visiting time is regarded as an important part of each patient's day. However, as therapy sessions are scheduled both morning and afternoon from Monday to Saturday, we ask that visitors cooperate with our visiting hours which are planned around patient schedules.

During times of infection outbreak or pandemic situations, Visitor Guidelines will be adapted as appropriate. Details will be posted on the hospital website and patients and families will be advised of the arrangements in place at the time.

For visiting times, see [www.nrh.ie](http://www.nrh.ie)

### The Coffee Shop

The Coffee Shop is located on the ground floor close to the main Reception, see opening times as displayed on the door of the Coffee Shop.
